ERA COLLECTION

NATURAL BEAUTY.

The chairs incorporate a synchronized tilting mechanism in the seat and backrest that guarantee optimal comfort.

The Era Comes In A Multiplicity Of Shapes And Variants

"Era Collection Is A Step Into New Century Of Ergonomic Chair"

Era is our most comfortable deluxe task chair to date. Generously padded and wider, yet visually sleek, this is a plush and prominent piece of office furniture that isn't made just to support you; it's made to move you too.

Sitmatrix Office Chair

Era Collection Represents A New Milestone

"Agile, Flexible, Scable A Chair Like A Start-up"

Aesthetic and ergonomic office chair

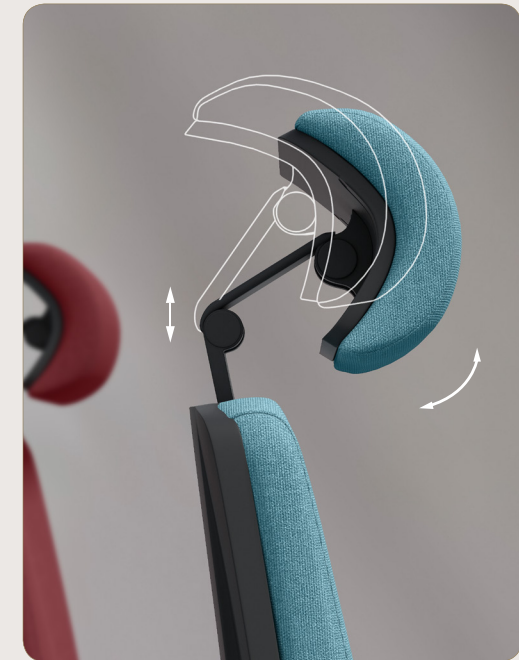

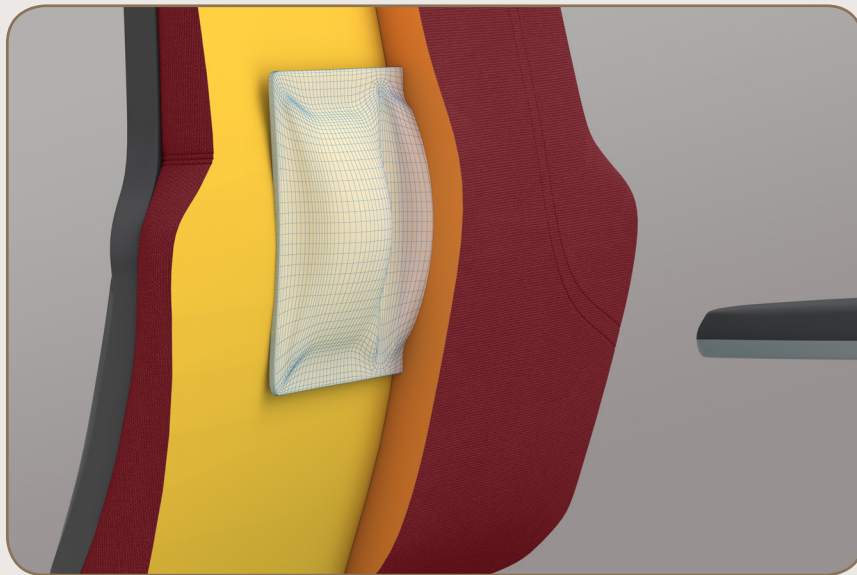

Era is a homophone with "new century" in Chinese, which represents the traditional office chair stepping into the new century of ergonomic chair. It is an ergonomic chair which pursues the structure of thin and stable quality, the delicate handwork and the use of world-class material and

components: the fabric is from Denmark Gabriel, mechanism is from Italy Donati, gaslift is from South Korea KGS. All other designs are 100% developed and produced by ourselves.

Air Lumbar Design Good Support For The Waist.

Add or subtract the air to make a suitable lumbar support with pump on right side. It is easy to adjust the air lumbar, good support for the waist.

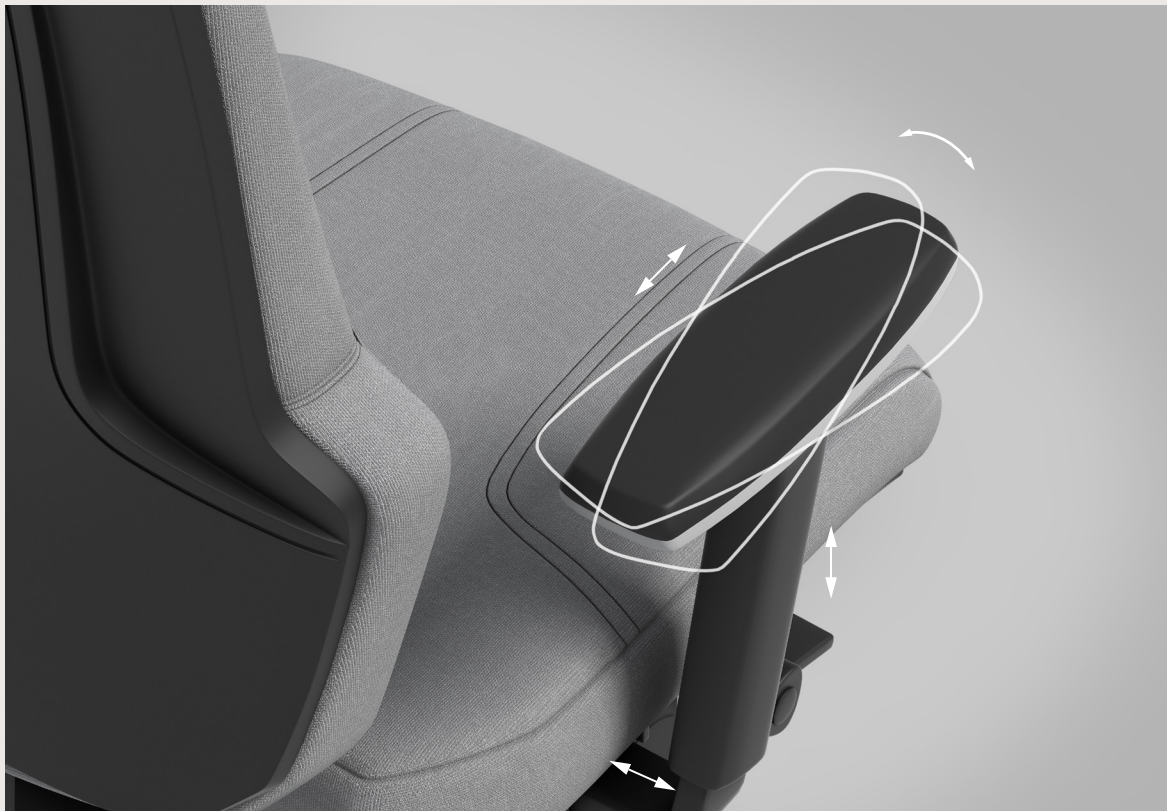

3D Headrest Could be add-on easily

As for the different body size
fat people will have more proud flesh on the back
so the neck will be relatively forward and the depth of
the headrest should be forwarded appropriately
On the contrary, thin people do not need too deep
and the waist is relatively straight

Reasons for choosing Era

This is an office chair for everyone. A fully functional office chair, from headst to the mechanism can be adjusted, personalized adjustment.

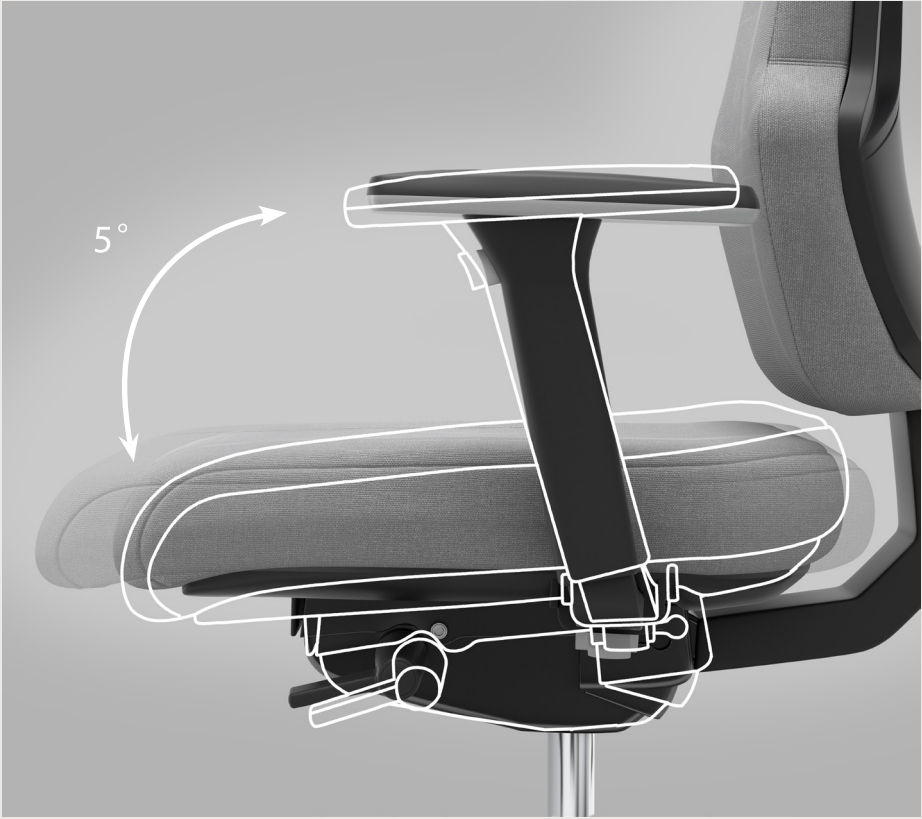

01. 4D Armrest Design

Four dimensions. Height adjustable,TPU pad forward and backward movable, twistable,width adjustable.
